Happy April everyone. The winter season is quickly coming to an end. I hope you all enjoyed your time here over the last few months. It has been another wonderful golf season.

Congratulation goes out to Marge Leafstrand for winning the PLGA Club Championship. The PLGA will be having their annual Member/ Member golf and luncheon on Tuesday, April 19, 2016. Please sign up as a two-some in the Golf Shop when we get closer to the date. This event is only for those ladies who are in the PLGA.

The PMGA will be having their Jack and Jill event on Wednesday, April 27, 2016. Sign up will be made available once we get closer to the date. The event is for PLGA and PMGA members only. The PMGA will be paying for both golf and lunch, and the PLGA will only have to pay for the golf portion of the event. Congratulations go out to Lloyd Cooke for winning the PMGA Championship.

A reminder to those of you who have earned credit book money. Money earned from May1 to December 31 of 2015 must be spent by the end of April 2016. If this money is not spent you will lose it. The totals will be printed out for you in the Golf Shop; just ask us at the counter.

I have compiled a list of golf courses that you as a member can play during the off season. I will post the list with greens fees and directions for each golf course, in the Golf Shop for you all to take about the middle of April.

Happy Golfing!!!!

From the Golf Course Superintendent

By Raymond Bartels, CGCS

The weather is starting to warm up and with this I will be incorporating our Spring/Summer maintenance schedule. We will start Vertical Mowing, Grooming, Spiking, Light Top Dressing and applying pesticides to the Greens on a more frequent basis. These practices are necessary in their upkeep. You will also notice a lot more spot spraying of herbicides throughout the Golf Course to help control Spring and Summer weeds. The Rye-Grass on the Fairways, Collars and Approaches will also start turning brown and dying off. This is known as transition. We will also be applying herbicides and other cultural practices to help with the transition from the Rye back to the Bermuda grass. I apologize in advance for any inconvenience. Enjoy the Golf Course and I hope to see you out there.

General Manager's Column

April 2016

This article from your General Manager is probably the most difficult article to date for me to write, because this month starts the migration for a lot of our members to their northern residence. I am sure that I speak for the staff when I say that we will all miss you!!!

The month of March was very busy with thirty (30) outside functions, each function either had lunch or dinner included. These functions were over and above our regular lunch and dinner services. Our Club functions (member parties) were all full, so we ended up turning some of our members away (these are the times I wish our Club was a lot bigger). There were times that I felt that we were picking on our Mah Jongg and Bridge players because we had to move them out of their regular areas. I hope all of you know that we will only move you when there are no other solutions.

Our golf rounds are up by 1,056 over last year to date; this is good for revenue but bad for the Golf Course. This means that your Golf Course is looking as though it is worn but with a little fertilizer, water and sunshine your course should be in great shape by the middle of April.

Mitch and his staff have done a great job in running all of the different tournaments and outings for our members this year. Mitch is one who is NOT looking forward to the slow summer months!

Those of you that are wondering what the game of Pickle Ball is all about, please take some time and look it up on the internet. For the last five years Pickle Ball has been the number one growing sport in the United States. After you have taken the time to read more about the sport it will be time for you to call Bill Springer or Terry Petti and they will supply you with the paddles, balls, and times that you can come over to the tennis courts to learn more about this fun sport.

April 11 at 7:00PM at Braden River Presbyterian Church will be our Annual Meeting for the PPOA; please plan to attend. This is a good time during the Public Forum to ask your questions and to make constructive comments. Look forward to seeing you that night.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

Tom

MASTER BOARD ANNOUNCEMENT

In an effort to maintain quality and safety as well as the best service possible to all our residents, the Master Board has established the following policy:

1. All residents with an outstanding balance remaining on their minimum can contact the Food and Beverage Manager to place any order larger than fifty dollars before May 15. These orders will be treated like an event and must be received seven days before requested day of pickup.
2. Raw food will not be available for to-go orders or any order, i.e. uncooked steaks/ raw meat.
3. We do not have a package goods license for alcoholic beverages and by law cannot offer this as an option.

This policy will allow for the Chef and the F&B Manager to plan and order supplies for larger orders without shorting the dining membership each day.

Well spring is in finally in the air and to me that means fresh, fresh, fresh colorful veggies, herbs and lighter dishes for you all to look forward to. As I had mentioned last month we are looking for your recipes to feature in some of our functions and daily specials but sadly I haven't seen too many as of yet. We are really looking forward to seeing your cooking talents and trying out some new things. So please feel free to submit your recipes any time.

Soon some of you will be heading back north, now that the snow is melting and the trees and flowers are beginning to bloom. We at Peridia will miss you all and look forward to your return next fall. I would like to thank you all for your patronage and wonderful comments on the food.

As usual we are looking for new ways for all of you to enjoy your Club, so my staff and I will be working on some new menu items for all to enjoy in the coming months and we are thinking of perhaps having a poolside menu on Saturdays now that the weather is warming up.

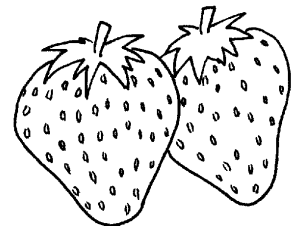

Thanks again for a wonderful season, and here's to a bright spring.

- salt and freshly ground pepper to taste

Directions

Heat vinegar in a small skillet over medium-low heat. Simmer until reduced by about half, 8 to 10 minutes. Remove from heat and allow to cool to room temperature.

Prepare a grill for high heat. Place bread slices on a foil-lined baking sheet and drizzle with olive oil.

Combine strawberries and thyme in a small bowl and set aside.

Grill bread on the preheated grill until browned, about 3 minutes per side.

Spread goat cheese on toasted bread. Add black pepper, salt, and reduced vinegar to the strawberry mixture. Spoon over the goat cheese topped bruschetta. Garnish with additional thyme.

BE A HARD TARGET!!!

By Ginny Lighthizer for the Crime Prevention Committee

On Wednesday, March 9, Captain Rick Gerken, Patrol Commander of District 1 of the Manatee County Sheriff's Office, visited Peridia with his Lieutenant and the five-man team that has been patrolling Peridia in marked and unmarked cars and that recently caught the four individuals responsible for a burglary in Sable Harbor. Captain Gerken said that they have the necessary search warrants for the four individuals who were apprehended and will be comparing any items retrieved as a result of these warrants with items reported stolen in the Peridia burglaries. They are hopeful that this is the group responsible for the robberies in our community.

Captain Gerken stressed two main points in his discussion with homeowners. Be a hard target was his first piece of advice. Take steps to secure your windows and doors and set your alarm when you leave for even a few minutes. Criminals look for "soft" targets and we do not want them to think that's what they have found in Peridia. The police believe that the robbers watch people leave for dinner or an evening out and then attempt to break in or are knocking on doors looking for a house with no one at home. When someone knocks, answer them without opening your door! If they give a feeble reason for knocking, saying they are looking for someone other than you, for example, **CALL 911 RIGHT AWAY!** Captain Gerken stressed the need for homeowner/police cooperation in apprehending criminals and asked us to do our part. There have been 170 directed patrols, in addition to aviation patrols and visits from members of the criminal division of the Sheriff's Dept. since the first robbery here.

Captain Gerken's second main point was to call 911 anytime you see or hear something that you think sounds out of the ordinary. They would much prefer to come out and check something out that turns out to be nothing, than to miss the chance to apprehend a thief who has moved on down the street to an empty house after you saw someone near your house. When your gut tells you something doesn't look right, **PLEASE CALL IT IN!!!**

The Captain strongly suggested that each resident have a free home survey done by someone from the Crime Prevention division by calling Deputy Russ Younger at 747-3011, Extension 2586. They will survey your home and discuss specific things that you can do to "be a hard target". If you are a seasonal resident, consider calling and scheduling this survey before you head back up north! Both Deputy Younger and Deputy Andres of Crime Prevention were at the meeting and are waiting for your calls!

Use your alarm and consider getting one if you don't have one. Make sure a neighbor has a key to your home and knows how to work your alarm and contact your alarm company in your absence. This neighbor should know when you are expecting to be away and whether you expect any family visits at your home in your absence. They can then recognize an out of place visitor and call it into police. Consider 3M tint on windows, a sound/motion activated barking dog device, motion activated outdoor lights, glass break sensors as part of your alarm system. Have your alarm company out to evaluate your coverage and discuss available options with you. **ALWAYS** keep your garage door down unless you are in sight of the door. Heading inside for a single moment can result in the theft of something visible in your garage or drive.

Keep your lights on at night around your home and when out walking, take your phone! If you see something unusual or suspicious, be it a person or a vehicle, **CALL 911!**

If you have a security camera, the Detective hopes that you will register it at the Peridia office, so the police can quickly find out where there might be footage that could assist them in identifying a criminal. Our General Manager asked that you let Valerie know about any cameras, inside or outside your home, and they will maintain the list for the Sheriff's Office.

We Need To Be Able To Reach You!

The recent break-in activity here in Peridia emphasized our need to be able to communicate with residents on certain breaking news issues. We are asking that every resident share an e-mail address with Nancy in the office for our e-blast network. If you do not have a computer or do not have an e-mail account, the Crime Watch Committee will partner you up with someone who will let you know of any hot issues. Call Ginny Lighthizer at 739-7114 to sign up for this buddy system.

Meet Our New Neighbors!

As you know, a great deal of construction is underway at the corners of Lockwood Ridge and SR 70. The UPS store opened there about six months ago. Michelle Londke of UPS is visiting Peridia on Friday, April 22 at 11:00AM to discuss the services they have available and what they have to offer. Michelle will provide free notary services to Peridia residents on that day. Stop by and learn about one of our new neighbors! Call today and reserve a seat!
