From the Golf Pro Shop By Brian Schmidt

Happy February everyone. I hope the month of February will be a lot warmer than January. The Golf Course conditions have continued to be in great shape for the winter season, so hats off to Ray and his staff.

The PLGA will be having their Championship event on February 6, February 13 and February 20 and the luncheon and scramble event on Tuesday, February 27. Please sign up as we get closer to the date.

Please stop by the Golf Shop for your next merchandise purchase. Most of the pricing for shoes, shirts and golf bags will be on sale in the golf shop as well.

Also stop by and meet our new Assistant Golf Professional, Robert Dunlap. He is from Wisconsin and has worked in the golf industry in Sarasota for the past 5 years, mostly at The Meadows. Please come in and introduce yourself to him.

Qualifying has already begun for the shootout on March 4 for both the PLGA and the PMGA. Cost is five dollars and qualifying goes through the month of February. You can register for this fantastic and fun event in the Golf Shop.

Etiquette 101: Please be sure that you do not walk your dog on the Golf Course at any time. We have continued to find doggie messes on the course and as a golfer it is not a pleasant sight to see. We strive to keep the Golf Course in great shape and clean of all trash and debris. Please do your part to ensure that this happens.

Hope to see you out on the links. Happy golfing!!!!

From the Golf Course Superintendent

By Raymond Bartels, CGCS

As we start approaching Spring, you will notice our maintenance schedule picking up as well. There will be a lot more pesticides being applied, verticutting and topdressing of greens, as well as rough mowing. All practices to ensure a gradual transition into Spring growth. I apologize in advance for any inconveniences this may have. Enjoy the Golf Course and I hope to see you out there.

General Manager's Column

During the next few months our southern hospitality will encourage our families to come down to where it is sunny and warm. They will range from newborns to young teenagers to young adults to sons and daughters. This is exciting for us because we will get to show off the many reasons why we left that cold weather for the sun and sand.

Our Dress code here at Peridia hasn't changed but I think that I need to send out the following just as a reminder: **Acceptable Casual Country Club Attire** includes blouses and knit tops, slacks, skirts or walking shorts for women; collared dress shirts including mandarin collars or turtlenecks, golf shirts, knit tops, khaki pants or walking shorts for men. **Unacceptable Attire** includes cutoffs, gym shorts or running shorts, sweat or jogging suits, **tee shirts**, tank tops and ripped, torn or ragged clothing or inappropriate or indecent clothing. Jeans are discouraged. **Men are requested to remove their hats in the dining room.** Our dress code includes Monday Madness which is a casual event but please no tee shirts.

January did not start out strong; temperatures were in the low 40s, so no one was playing golf the first week. No golf means no lunches which means no revenues. Our revenues that first week in January were down by \$17,163. Staff members are trying to cut expenses as much as possible.

Brian and I went to the PGA show this last week and we spent two days looking for both Men and Ladies Apparel. I think we found some nice styles and colors that you are going to like. First shipment should be here by the end of February. We also ordered a bunch of visors for our ladies and hats for our guys. Our goal is to grow our inventory with both logo and non logo items and run daily special to keep the merchandise fresh and moving.

For those of you that don't read your e-mails from Nancy, our poolside tiki bar is now open. We will be open Monday thru Saturday and closed on Sunday. Hours will be from 11 am to 4 pm to start and based on weather conditions. Larry will be our bartender serving up specialty drinks, draft beer, wine and limited cocktails. No TV but plenty of sunshine and fresh air. Come out and have a drink to see what it is all about.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

Tom

President's Blog

I know none of you are vain, but I bet you think this Blog is about you. Is this who you are? I hope so because then you realize you are part of the crowd that makes Peridia so special.

- ♦ Your positive attitude as you represent Peridia helps build our excellent Bradenton reputation.
- ♦ You bring optimism to the table, and make it easier to avoid negative thinking.
- ♦ You do the honest thing. You try to play and live by the rules.
- ♦ Your friends know where they stand with you at all times. By not playing favorites with people and treating all people the same, you show others respect. People believe in you and your credibility. You have an admiral image.
- ♦ Caring not just about you, but also toward others has a constructive impact on the community. Your words and actions prove to others that you care for them.
- ♦ You participate passionately in club activities and other members enjoy their experiences with you.
- ♦ Thanks for taking the time and effort to establish good relationships with all your neighbors, making our community friendlier and safer, while improving the overall quality of life for everyone.
- ♦ Every time a neighbor does something nice for you, you pay it forward to other neighbors. You may not get favors back, but you don't keep score. Even simple things—like offering to pick something up at the store to save a neighbor a trip, offering to lend a tool to save them that expense, or sending a sympathy card can have a huge impact on a neighborly relationship.
- ♦ Keeping the neighborhood looking beautiful is a community effort, and good people keep all spaces that are visible by others clean and well maintained. You keep up with basic yard work, because you understand that these tasks not only impact the value of your house, but also the homes around it.
- ♦ Naturally you clean up after your pet, but thanks for picking up additional doggie diamonds.
- ♦ Taking care to put your trash out on the right night, and in proper receptacles, helps keep the community tidy and deters coyotes from scavenging through the plastic garbage bags.
- ♦ Decorating for the holidays spruces up your homes, but you take down decorations within a few weeks of the holiday passing.
- ♦ When having additional people over, you realize the noise level can go up very quickly. You courteously inform neighbors of get-togethers, and ask them to let you know if the gathering has gotten too loud. Better yet, you invite all the neighbors to the party!
- ♦ You stay informed on community issues and making it a point to participate. It's likely that you and your neighbors have busy lives and schedules, but if the community comes together as a group, change can happen more efficiently, and issues can be resolved more quickly. Plus, just showing up at community meetings and offering input shows that you care about the community and the people who share it. Email concerns to the GM if you can't attend.
- ♦ You are careful not to spread information that is not completely true. I'm sure you have been at the wrong end of a hurtful or disturbing "Whisper Down the Alley" rumor. We all get upset if what we hear turns out to be false.
- ♦ Spreading your positive energy will create a ripple effect of random acts of kindness and make the community a happier place to live.
- ♦ When new neighbors move in, you welcome the newcomers with a friendly hello and some local insider tips to quickly become one of their favorite neighbors on the block.
- ♦ There are so many other special behaviors Peridia members display, that I can't name them all.

Actually, this Blog is about you,
Bill Handy,
Master Board President

Loretto Sadkin, 45th Street Chair

Thank you friends and neighbors

Once again this year we had a Salvation Army Angel Tree in the Golf Pro Shop. Peridia neighbors "adopted" 68 Manatee County children providing them with toys and clothes for the Holiday season. I would also like to thank the wonderful staff at the Pro Shop and to the "Elves" that helped decorate the tree and deliver the gift bags to the Salvation Army distribution site.

ANGEL TREE Your generosity is overwhelming! Thank you for making it a special time for these kids.

Neighbors Helping Neighbors

A Peridia Community Outreach Program

Maybe you don't feel comfortable going to the Clubhouse pool by yourself and would like someone to sit poolside and wait while you do your exercises or just enjoy the water. Or you'd like a neighbor to pick you up and take you to a meal or activity at the Clubhouse and then return to take you home. These are just two examples of how volunteers are willing to donate their time to assist their neighbors in Peridia.

Many folks in our community already have a support system in place...a relative, friend, or neighbor who helps out when you need it. But there are other people you may not know yet who are available and willing to offer assistance. You may be a spousal caretaker who needs a few hours respite to go shopping or just get away for awhile. We are happy to provide someone to come to your home to keep the person you're caring for company.

If you have trouble using up your food minimum, we can help by picking up and delivering meals to your home from the Club restaurant. Or we can provide a ride to the Club so you can enjoy a meal or activity onsite...like cards, lunch and a book, bingo, or whatever is being offered that you would enjoy. We also have been gathering information on various resources that may be of interest to you such as Meals on Wheels and other services.

If you'd like to request assistance, please contact Pat Smith at 941-739-7114 or Carol Boles at 941-666-8582. Let either of these ladies know what you need and they'll see if we have someone who can provide that particular service. **Don't be shy about calling us!**

SEWING at PERIDIA

If you like to sew and/or have scrap fabric, please join us on **February 28 at 2:30PM** at the Clubhouse. We will be making lap quilts for the Manatee County Food Bank. They can use these for seniors and babies.

Please join us!

Any questions, please call

LET'S PLAY BALL!!!

Yes, it's that time of year again when baseball fans gear up for spring training! We are fortunate to have a spring training site right here in Bradenton. Lecom Park hosts the Pittsburgh Pirates for spring training, but their involvement in our community does not stop at the end of March.

On Wednesday, February 28 at 3:00PM, join a speaker from the front office who will discuss operations at Lecom Park including promotions running during spring training, information and background on the Pirates, and the involvement of the Pirates organization in the community. This will give us an opportunity to hear about behind the scenes actions for spring training and for the months that follow and to find out more about this great venue in our community! Call the Office today and reserve your seat!

Scams Targeting Veterans and the other E-mail Scams, Traffic, Speeding and Crime Report Update

By: Pam Wallace, Chairman Peridia Crimewatch Committee

Several organizations that claim to help veterans have turned out to be scams. If you are contacted by a charitable organization claiming to help veterans, ask for a lot of information including the registration number of the charity, its web address and how much of a donation actually goes to those in need. Don't donate to the charity if it can't give you its registration number. Don't authorize automatic withdrawals from your bank account or credit card to make payments to the charity or fundraiser. Conduct an online search that includes the name of the charity and the word 'complaint' to see if it has been reported for any wrongdoing. Other recent computer scams involve receiving an e-mail from what appears to be from the actual company, such as Sam's Club and Apple. While they appear to be sent from them, they are not. Scammers are phishing from your personal information. You can click on the e-mail address and verify whether it is legitimate or not, which in most cases it isn't. Most e-mail accounts, such as Spectrum allow you to "Block Sender" by entering the bogus e-mail address which then blocks that e-mail address from coming into your e-mail.

This year will bring even more traffic to our neighborhood due to the construction of the apartments located at our main entrance and the 45th Street Widening Project. Exiting onto 37th and utilizing the new 44th street connector is a good alternative if you are traveling 301 towards Bradenton/Palmetto. It is less congested than SR70 and average drive time to 301 is less than 5 minutes. Peridia residents will receive a notice from Manatee Co. regarding an upcoming meeting on February 1 at Manatee Technical College where an update of the 45th St Widening Project will be presented.

We continue to have people speeding within Peridia and all of them are not from the outside. Please remember that the maximum speed limit is 25 MPH (unless a lower limit is posted). Please be aware of walkers, joggers, and others that are in your line of vision. Some of us (including myself) can't move as quickly as we used to and may be unable to move out of the way of a speeding car. If you are walking/jogging/biking, please use the sidewalks or stay as close to the curb as possible. If you see someone speeding or driving erratically, please provide a description of the vehicle and license plate number to the Manatee County Sheriff Traffic hotline at 941-723-5197.

We saw very little crime in Peridia during 2017. There were several instances of items being removed from unlocked cars, one attempted break-in and items removed from open garages and outside Member's homes. It is always wise to lock your car, keep your garage door down and remain aware of suspicious cars/people in the neighborhood. Residents have been very diligent about calling and reporting people soliciting, and suspicious activity/vehicles, which helps reduce crime. Also, a resident called me recently to report that an U.S. flag was stolen from the flag pole affixed to their home. It was reported to the Sheriff's Dept. Please continue to use good judgment and report anything suspicious.
