Happy New Year!

On Wednesday, January 4 the Golf Course will be closed at 12:00 for some much needed maintenance. You will notice a lot of spot spraying of herbicides this month, this is to help with Winter Weeds. I do ask if you could please stay out of sprayed areas, the Rye Grass is sensitive and any herbicide tracked on to the Rye-grassed areas would be damaging. We apologize for any inconvenience. I hope the Golf Course is enjoyable and I look forward to seeing you out there.

General Manager's Column

Boy; I am partied out!! Peridia hosted 65 Christmas parties during the month of December. No one could tell me if that was a record but I am sure that we had no more open dates for additional parties. Great job Judy, Chef Todd and the Food and Beverage staff.

Now it is time to say goodbye to 2016 and ring in 2017! The staff here at Peridia is committed to making 2017 more exciting, with more things to do: more pool deck parties, more theme parties and more having you get together at our Monday Madness happy hour. Chef Todd will be introducing his new lunch menu this week along with his new Wednesday and Thursday flair. An exciting year is in front of us. Should you have an item that you would like to see added to the new menus please fill out a comment card and let us know what it is that you would like to see added.

The new practice cage is up and ready for those golfers who would like to warm up before teeing off. This cage is built to last so have fun and enjoy.

The golf course is looking and playing exceptionally well; Ray and his staff are working hard in keeping those great conditions. There are a couple of weak spots that Ray is aware of and is working hard to straighten those areas.

Ray has had problems this year in finding good people to join his team. He has been down three staff members for most of 2016, so for 2017 we have reduced his team to 7 members and we have applied those wages to having a landscaping company maintain the Common areas throughout Peridia. This move takes the pressure off Ray and his team to get the common areas cut, trimmed and hedged each week, giving him more time to maintain the golf course. We will see how this works for one year and then evaluate and make changes if needed.

It has come to my attention that members are feeding the Canada geese from the back of their homes. Please, do not feed those pretty little geese. Management is trying to get them; we are trying to find ways to move them to another location because of the dirty mess that they cause on the golf course. Again, please do not feed the animals.

Remember, I always have time for your questions or comments. Please stop by my office, my door is always open.

Tom

President's Blog

It's 2017. It's the 30th birthday for our community. The feeling of celebration is in the air. The festivities started back in November 2016 as some early birds began decorating outside. Driving through the neighborhood, you could see houses colorfully draped with lights and ornamental figurines for the holiday season. What a merry neighborhood!

The January Scorecard is filled with opportunities and activities for your continued entertainment in 2017. Call your friends and schedule some occasions that are up and coming. Last year we welcomed over 40 new members to our community. Put your happy face on, come on down to your Club, and make some new friends. It's the friendly faces in the Peridia community that will make 2017 a "Happy New Year."

Major developments that should put additional smiles on your faces in 2017 are:

1. Two lakes behind Murfield homes near the 3rd green and the 4th tee box will be rebuilt just like the lakes that were renewed so nicely in 2016.
2. Sand traps around the golf course no longer drain properly. The drainage systems under the traps will be cleaned and repaired, the edges of the traps redefined, and new improved sand will make the traps consistent for play. One trap will be repaired at a time, so as not to interfere with course rounds.
3. Restaurant tables, chairs, and [carpeting](#) are on the schedule to be replaced. Finding the right furniture with a fitting design that matches carpet to the upholstery is truly a feat for the restaurant committee. They have my confidence. I think I'll go golfing and stay out of it.
4. FYI: You may be seeing different workers mowing grass, trimming bushes, or mulching the common grounds of Peridia. Our current grounds crew has been short staffed for too long. It's been difficult finding new employees wanting to work hard and steady like our guys. Consequently we have hired an outside contractor to take care of the common grounds so Ray Bartels team can focus solely on the golf course. It's a win-win as better course maintenance brings more patronage to our Club and the well-groomed appearance of our neighborhood will keep us proud of Peridia, Bradenton's Premiere Executive Golf and Country Club.

Finally, here's something that puts a grin on many faces. Have you seen wagging tails, pulling on leashes dragging members around the community sidewalks? Well those tails are the smiles of delighted dogs. Members' dogs are excited to exercise their owners. It's tough work hauling humans up and down the streets of Peridia. Consequently, "nature's nasty parcels" are plopped on neighborhood yards along the way. It's only considered an OOPS package if it's dropped off and the delivery supervisor scampers away. Your dogs know you carry a plastic bag and are just trying to provide you with an opportunity to be a good neighbor. Please don't disappoint your pet. Picking up after your cute little "Scooby Doo" keeps our community clean and puts a smile on everyone's cheeks.

Keep smiling,
Bill Handy,
Master Board President

Chef Todd's Corner

Happy New Year!

I hope you all had a wonderful holiday season. On September 3, I celebrated my one year anniversary here at Peridia Golf and Country Club. What a fantastic year it has been. All of you have truly made me feel at home. I cannot remember the last time I enjoyed my job as much as I do here at Peridia. I look forward to many more years of serving you all.

With the New Year at hand; Tom, myself and my staff will be working on some exciting things to offer you all in the coming months so keep your eyes and ears open.

Hope Your New Year is filled with joy,
Chef Todd

Honey-Mustard-Glazed Salmon Steaks

Ingredients

- 1/4 cup Dijon mustard
- 1/4 cup whole-grain mustard
- 1/4 cup honey
- 2 tablespoons soy sauce
- 1 garlic clove, minced
- 1 1/2 teaspoons finely chopped thyme
- Four 6-ounce skinless salmon fillets or 6- to 8-ounce salmon steaks (about 3/4 inch thick)
- Canola oil, for brushing
- Kosher salt
- Freshly ground pepper

How to make this recipe

1. In a medium bowl, whisk the mustards with the honey, soy sauce, garlic and thyme.
2. Light a grill or preheat a grill pan and oil the grate or pan. Brush the salmon fillets with oil and season with salt and pepper. Grill the salmon fillets skinned side down over moderate heat for about 3 minutes. Turn and grill about 3 minutes longer, until the salmon is nearly cooked through. Generously brush both sides of the salmon with the honey mustard and grill, turning frequently, until richly glazed, about 1 minute. (For salmon steaks, grill over moderately high heat, turning once, for 4 to 5 minutes, then brush with the honey mustard, turning frequently, for 1 minute.) Transfer to a platter or plates and serve, passing the remaining honey mustard at the table.

Make ahead

The honey mustard can be refrigerated overnight.

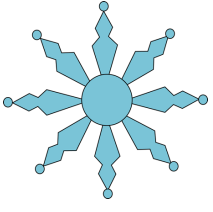

Serve with

Steamed or grilled bok choy.

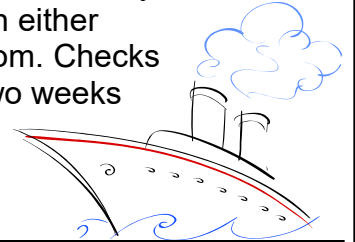

Suggested pairing

Floral, full-bodied Torrontés, a white wine from Argentina, is superb with rich, saucy seafood dishes like this salmon.

Looking Ahead: What Are Our Options as We Age

Here in Peridia, most of us are enjoying our independent and often active, lifestyles. Looking down the road, how much do we know about our options as we require a little more assistance in day to day living? On Wednesday, January 11, at 3:00PM, Wendy Rickenbach, local owner of Care Patrol, will be speaking at Peridia about various care options, average cost of care and ways to pay for that care. Care Patrol educates families and assists them in making informed choices. No matter your age or current level of activity, it is never too soon to take a look at the choices available to you and how to plan for them! Call the office today to reserve your seat!

SCAMMERS ARE HAVING A BUSY SEASON!!!

By Pam Wallace for the Crime Prevention Committee

Manatee County residents have been plagued with various scamming schemes during 2016. Unfortunately, there has been a rise in this type of crime since our 'season' began. Many of these scams start with a telephone call. They come in many varieties, but among the most common of late are callers identifying themselves as representatives of Direct TV, AT&T, and Amazon. They will give you a sales pitch for preferred pricing for their services and request that you purchase gift cards in specific denominations and call a 1-888 number and provide them the numbers on the back of the card. After they have received that information you will never hear from them again, nor will you receive any special rates or promotions that they said were being offered. These companies DO NOT place unsolicited calls unless you are already a customer and they never request pre-payment in any form. The Sheriff's office advises that if you suspect you are being scammed, hang up and call your provider at the number on your bill to report the call.

Another popular scam is known as the "Grandparent Scam" where someone will contact you and advise your grandchild is in jail and needs bail money and that the best way to get the cash to them is for you to purchase gift cards and they will instruct you who to call once you have purchased them. Again, police departments do not call and ask for bail money under any circumstances.

The Sheriff's Department monitors reported fraud activity and provides information about fraud scams on their website. Be very suspicious of anyone contacting you with anything that requires you to pay money. It's just best to say no.
