From the Pro Shop

By Brian Schmidt

Happy July everyone!!!! The Summer Season is definitely in full swing so please make sure when you're on the Golf Course you consume plenty of water while playing. This is the time of year for heat stroke and one cause of this is dehydration. We do have Gatorade and water available in the Pro Shop, so please make sure you have plenty with you before you head out on the Course.

Our Maintenance Season is well under way, so make sure you stop by the Pro Shop to note the dates and times for closures during the summer months. Ray and his staff continue to do a great job in keeping Peridia in tip top shape. Thanks Ray!!!

I know there has been some confusion about shop credit that members have acquired over the past year and when you have to spend it. Because of the craziness these past few months, we have decided to extend the period of time of having to spend the shop credit until April 30, 2021. We feel this is the fairest accommodation for every member.

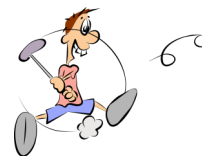

Etiquette 101: This month I would like to talk about dress code for our facility. For men, collared shirts are required with no denim or blue jean material. For Ladies, collared shirts would be best, however if you have a sleeveless shirt it must have a collar, if you have sleeves, it doesn't have to have a collar (no T-shirts), no denim or blue jean material. We always encourage everyone to dress appropriately while playing. Also, please make sure when picking your golf ball out of the cup that you're not using the blade of your putter. I see more times than not this will cause damage to the edges of the golf hole. Thanks for your understanding.

From the Golf Course Superintendent

By Ray Bartels, CGCS

We are in full Summer swing, with that being said, there is a lot going on daily and especially on Thursdays. I ask everyone to please refrain from coming on the Golf Course or the Putting Green/Driving Net area from 6:00AM – Sunset. Pesticides are being applied that we do not want anyone to get into, or track onto areas that are sensitive. There may be several hazards and work tasks going on around the Golf Course, as well as irrigation being used at random places and intervals. Sorry for any inconvenience this may cause. Enjoy the Golf Course, stay hydrated and I hope to see you out there, (any day but Thursday).

General Manager's Corner

Governor DeSantis has moved the State of Florida to phase 2. What does this mean for Peridia?

- We will operate at no more than 75% of building capacity, while keeping appropriate social distancing which is a minimum of 6 feet separating parties.
- Tables of no more than 10 is recommended but in our restaurant, because of the spacing requirements we can only seat 4 - 8 tops, 2 – 6 tops and 7 – 4 tops. This floor plan will give us a total of 72 seats.
- Walk-ins are permitted but we strongly recommend “reservations only” as our business model, so that we can manage our spacing efficiently.
- Peridia will make sure that all surfaces are cleaned and disinfected after every use. We are here to make your Club the safest place for you to come to for lunch, dinner or just drinks.
- We will continue taking temperatures of everyone that enters the Clubhouse, those who have temperatures over 100 degrees will be asked to leave and will receive a letter restricting them from using any of the facilities until after they have quarantined for 14 days.
- Both the Tiki and our Terrace on the Green bars will be open for seating with an open bar stool between each member with the exception of members sitting with their spouses.

We will make every effort in maintaining a safe environment for our members while they are here enjoying their home away from home.

We are seeing a slight drop in our number of To Go orders, going from an average of 105 per day to 60 per day. This drop started shortly after the State of Florida, went to phase 2. Just after a week at phase 2, we are starting to see our To Go orders pick back up, our counts are starting to grow again and we are now back up to an average of 70 per day. Our count will probably continue to get better as the Covid-19 continues to spike. I hope this service has been a benefit to the members who want as little contact with the outside world as possible.

Resurfacing of the pool and the renovation of the pool deck is scheduled to start on July 6th, weather permitting. This means that if the contractor is falling behind on his present project, our project may start later than July 6th. The office will keep you posted on the actual closing of the pool.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

In Memoriam

Bernard Regan - May 25, 2020

Tish Stroebe - June 18, 2020

In Memoriam listings are made upon notification
by a relative to the office staff.

Did you know?

Did you know that our re-opening night was very successful? Sixty-nine members enjoyed a wonderful meal and good music. A thank you goes to General Manager, Tom Donato, for instituting safety measures that are at least equal to and in some regards greater than any area restaurant.

Club use since the re-opening has been somewhat spotty. Through June 15, the combined lunch and to go orders have been less than 60 per day. The Wednesday and Friday dinners have been sparsely attended. One bright spot is Bingo which had 65 reservations for its first night back.

Our shining star right now is the Tiki Bar. About 65 members attended Dancing Under the Stars and daily use of the Tiki Bar has been very good.

The Golf Course play has actually been excellent for this time of year. Brian reports that if we do not have any major rainouts we could easily have 200-250 more rounds played in June, 2020 than in June, 2019.

Remember, we need you to USE THE CLUB.. Continue to follow the guidelines and stay safe..

Peridia Golf Advisory Report to the Community July 2020

The Golf Advisory Committee was established by the Peridia Master Declarations of Covenants. Our mission is to advocate that the Peridia golf course remains a "Premier" golf course, identify and recommend improvements that will enhance the golf experience and make the course more aesthetically pleasing for our members and expanded golfing community.

There are 9 members: Ed Helmer, Mike Vagi, Janice Todd, Sandy Robarge (PLGA President), Dan Cornely, John Saum, Pat Moody, Glenn Heinrich (PMGA Representative) and Frank Grote (Master Board Representative).

We have had some members question poor mowing etiquette during play. We all need to understand that mowing must take place during play, however most of the people on the machines are not golfers and may not understand the distraction they can cause. Ray has discussed the problem with his employees, explained the proper etiquette and cautioned them to act appropriately.

Concerns have been expressed about the conditions of the sand traps. Ray and the Master Board are aware more sand could be used. Some sand will soon be added to the worst offending sand traps, however complete reconditioning will not take place until next summer when other course projects are done.

Brian will also be advising the community, but worth noting is that Pro Shop Credits, which normally would have expired by now, will be carried over until 2021 due to the havoc the virus caused us all.

Should you have any suggestions for course improvement or issues you would like to have addressed, please contact one of the members. We ask that your request be put in writing (Email is good) to address at our meetings. You are always welcome at our meetings which are held on the second Thursday of each month during season and as needed during the off season.

Blood Drive

Many thanks to all have taken the time to donate blood over the past few years. Our last drive of the season in March produced 17 donors and a walk-in who played a round on our course, before going back up north, won the Brunch for 2 at Peridia.

We are having an extra Summer Drive on **Tuesday, July 21 from 1-4:30PM.**

Please contact Carol Milling at 770-309-2348 to reserve your time.
