From the Pro Shop

By Brian Schmidt

I can't believe the Winter Season is over. We certainly had a busy and amazing season of golf. I hope everyone has enjoyed the playing conditions and I can't wait to get you back in the fall for another great year.

Please mark your calendars for our annual Member Memorial Day Golf Scramble on May 30th, 2022. This will be a 4 person scramble with a shotgun start at 8:30AM. The cost of this event will be \$36.00 per person which will include golf and food as well as beverages on the course for \$2.00. Because of the popularity of these summer scrambles, this event is open to Peridia Members only. We want to make sure we have enough space for every member who wants to play. Please sign up in the Pro Shop as we get closer to the date.

I wanted to take a minute and discuss golf play hours. Every night, weather permitting, the flags are pulled. If you can not see the flags in the greens the golf course is closed. Please refrain from practicing on or around the greens. Also, rounds can not be started after 5:00PM when the Pro Shop closes.

Last minute reminders for all of you members leaving us for the summer. Please check your trunk, garages, and golf bags for any extra range balls that you may have. Please return them to the Pro Shop before you leave. Again, I want to thank everyone for a special Winter Season. You made all of our jobs in the Pro Shop and Cart Barn a fun experience. Please be safe on your travels back home and see you back at Peridia in the fall.

Members: Please remember our Dress Code when bringing guests to the Clubhouse.

Casual Country Club attire is acceptable for regular dining. Acceptable attire includes blouses for women, collared shirts for men, golf shirts, knit tops, khaki pants or walking shorts, slacks or skirts. Jeans are discouraged.

Unacceptable attire includes cutoffs, short shorts, gym or running shorts, sweat or jogging suits, ripped, torn or ragged clothing, tee shirts or tank tops.

Gentlemen must remove their hats when in the dining room, after 5:00PM in the bar, and on Sunday all day. Tee Shirts and hats are allowed at the Tiki Bar.

Did you know?

On April 11, Peridia Golf and Country Club held its Annual Meeting. 117 members were in attendance.

On April 18, the Master Board held its Organizational Meeting. Officers for next year are as follows:

President	Wayne Roell
Vice- President	Don Milling
Secretary	Charlie Nobs
Treasurer	Bill Handy

Also, board members were appointed to serve on our standing committees. Those appointments are as follows:

Long Range Planning	Steve Kartholl
Golf Advisory	Jerry Kroening
Pickleball and Tennis	Glenn Heinrich
Social	Keith Gainey
Restaurant	Bill Groves
Finance	Bill Handy

In 2021, Peridia once again showed a profit. One major reason for that is that our members continue to USE THE CLUB. Thank you.

Wayne Roell
President, Master Board

By the Social Committee

The warm weather is back and our friends and neighbors from up north are either there or soon to be departing. We wish them all a safe trip and to those leaving us and to those staying here in Peridia, we wish all a healthy and happy summer.

This will be the last message from the Social Committee until the fall. At that time there will be a listing of all the planned events for the coming season, along with a reminder of when each event opens for registration. Please remember, Peridia has a first come, first served reservation system. The forms are in the lobby and you need to fill them out with your entire table reservation. We always announce the day reservations will open for an event and that is the first day you can drop off your forms. You still have the option of phoning in your reservation and filling out the forms later, but you must remember *some events fill up faster than others*, so it may require you getting up early on an event opening day to drop off your request, rather than taking a chance on phoning it in. Leaving a message on the phone does not guarantee a reservation, someone will call you back to discuss your reservation.

In the fall when the dates are published, we will include a reminder about this. In the meantime, have a great time where ever you are this summer.

General Manager's Corner

The wet well has snails What does that mean? Our wet well is located in the bottom of the pump house which is where Ray draws water from our irrigation pond and then pumps it out to the golf course. As the snails die and fall off the sides of the wet wall, the pumps suck them into the irrigation system and send them to any one of the 600 irrigation heads that are located on our course. This is why you periodically will see Ray taking the irrigation heads apart to clean out the snails. Ray is looking into finding a company that will remove the snails from inside the wet well before the snails can get out to the heads.

I want to thank all of you who stopped by my office to let me know that all of the grass that was just planted next to the parking lot has died. When Bloomings, our Landscape Contractor, laid that sod down, they thought they had the irrigation all connected but to their surprise they did not have water for a portion of the north side of the lot. They have fixed the irrigation problem and now the water is running, the dead grass has been removed and new grass has been planted. This was done at no cost to Peridia.

Handicap parking is beginning to be a problem on the south end of the lot. There are no handicap spaces in that area which is where most of our members park when going to the Tiki bar. I will be getting with James to put in 4 handicap spaces along the center aisle this summer. Just a reminder for those of you that do not have a handicap placard, handicap spaces are by Florida law reserved for drivers with handicap placards. We have drivers parking in those spaces who are not handicap and they are forcing our handicap members to park in the back rows. Please have a placard displayed when parking in a handicap space. Cart owners ... your member owned golf cart is your second car and falls under the same rules as any car coming into our parking lot. Please use your handicap placard when parking your golf cart in a handicap space.

All of our Member functions were sold out this year except for New Year's Eve; we saw more member participation this year than in any year going back through the last 5 years. Our Sunday entertainment has been received very well with most Sundays being standing room only. Our Wednesday nights for the majority, have all been sold out. Our Friday night DANCE NIGHT has been averaging 86 dancers each week. Sunday Brunch has been growing each week with our finale of 420 attending this past Easter Sunday. Mother's Day won't be as busy as Easter but we will have between 250 and 300 smiling Mothers that are just happy that they don't have to cook or do dishes on their holiday.

In 2021, our total paid golf rounds were 35,560. That number was 4,310 rounds greater than the 2020 total rounds of 31,250. In the first quarter of this year, our rounds are up by 1,226 rounds over this time last year. With all of these rounds of golf our course is holding up very well. We are starting to lose our overseeding but we are seeing the Bermuda grass starting to take off, so the transition won't be as noticeable as in the past. Golf course looks and plays great.

Just a reminder, our golf course will be closed starting on May 10th; we will re-open it on May 16th. During the course closing, Ray is planning to have all the golf course tree roots pruned. Aerification will start on Wednesday with tees and greens followed by the fairways and some rough areas on Thursday. During the recovery period the Pro Shop will be posting a temporary local rule of "lift, clean and place" until the course is in good shape again.

Remember, I always have time for your questions or comments, so please stop by my office, my door is always open.

Tips to protect your identity that can protect you from Scams and Tips for staying Safe

By: Pam Wallace, Chairperson, Peridia Crime and Safety

Fraud starts with information about you. Without names, email addresses, social security numbers, passwords and other personal data, a scammer cannot reach you or pretend to be you. Sitting in your computer are endless amounts of personal data that can be useful to a scammer. This information is stolen and re-sold to larger organization customer databases according to the Identity Theft Resource Center. Your smartphone is also targeted. The hackers use the information found on our phones to hijack our digital lives because that is the weakest link.

Several ways to fight back are:

Ignore phone calls from numbers you don't know. If they leave a message, you will then know if it is a valid call from a legitimate source. Update your contacts in your phone. Include anyone who calls frequently. Then, when that person or business calls their identify will be displayed. Next, go into Settings on your phone and turn on 'silence unknown callers" for iPhones, or "block numbers" on Android phones. Other things we can do to protect our identity is to review your credit report which you can get for free each year. Check it to be sure no one has opened credit in your name and that there are no errors. Refresh your Facebook security. Click the downward arrow button in the upper right corner of your Facebook page for Settings & Privacy and complete the Privacy Checkup. This will guide you through settings that will enable you to lock your profile so that only your friends can see it and scammers will be locked out. Hopefully, some of these tips will be beneficial to you to protect your identity.

As summer approaches and school is out, we often see an uptick of petty crimes such as vandalism, groups of young people attempting to open car doors and even removing items from garages and yards. This has not been a problem in Peridia, but it has in surrounding neighborhoods close by to us. A resident recently asked my opinion about calling the police after seeing people very late at night walking through the backyard of an adjacent home. After working with the Manatee County Sheriff's Dept. Neighborhood Watch liaison for many years, they have said if you see something, say something. If you feel threatened, or witness something that is suspicious, call 911. They will come and check it out. It's better to be safe than sorry. With the snowbirds leaving, there are more vacant properties in the summer months, so keep an eye out for your neighbor's property as well as your own. If you will be away for vacation, let one of your neighbors know so they can help keep your home safe!
