From the Golf Course Superintendent

By Raymond Bartels, CGCS

On behalf of me and the maintenance crew, welcome back and I hope you have enjoyed your summer. As you know we were very busy implementing a new irrigation system on the Golf Course. There are a few smaller zones being installed off to the sides of rough areas and lakes. The project should be completed, as well as some temporary repairs to #3 headwall, by mid month. You will notice some trench and plow lines still growing in, this was expected going into the project. The lines out in the rough areas will be on going for a few months. The trench and plow lines around the approaches, fairways and tees will be covered with winter overseed and should not hinder play once seed is established. Speaking of winter overseed, on Tuesday, November 13 & Wednesday,

November 14, the course will be closed at 12:00 to apply winter overseed. On Thursday, November 15, the course will be closed all day for pesticides, fertilizers as well as more overseed.

The course will be Cart Paths only Friday, November 16, Saturday, November 17 and Sunday, November 18. These cart path only days will not completely stop the tracking off of the overseed to unwanted areas but will help minimize it. The lake on hole 12 and half of the south lake on hole 15 are being repaired with the geo-tube restoration. Enjoy the course and I am looking forward to seeing you out there.

General Manager's Column

I would like to start out by saying WELCOME BACK to all of our northern snow birds that are flocking back to their winter homes. The staff and I are all excited to have you back but let me say this there is no time for you to sit down to rest from your long journey because it's PARTY TIME! You have already missed the "Fall Back Party" and "It's 5:00 Somewhere" party. For the next six months we are going to Party! Party! Party!

This year Chef Todd and Judy have added one item to the regular Wednesday Night menu that will be "ALL YOU CAN EAT". We will be rotating shrimp, ribs, crab legs, fried chicken and more. Thursday night is our \$13.25 buffet featuring three hot entries with vegetables and starches with a full salad bar. Our Friday night dance bands range from Taylor and Taylor to Lynn Spins, to some new and exciting groups. Don't miss our Monday Night Madness which is still going strong with ½ price drinks and our new all you can eat \$5.00 buffets. Don't set that Scorecard down until you have read all about the exciting events coming up in November and December. Make your reservation as soon as possible because our WEDNESDAY, THURSDAY, FRIDAY NIGHT and our Special Events will sell out fast.

Yes, Larry is still with us as our CENTER PIECE for the Tiki Bar. When Larry takes a day off your bartender will be Carla or Kristi. Larry will be opening the Tiki Bar this month at 3:00PM and closing after dusk. As more and more members start using the pool area during the day time hours, Larry plans to be open at 11:00AM and serve daily specials along with the full lunch menu.

Ray will be overseeding the fairways, approaches, collars and tees for the season on November 13th and 14th and we will be cart paths only until the following Monday. Please keep your carts on the cart paths and in the rough as much as possible during this process. It takes about two weeks for the rye grass to mature. Thank You!

Let's talk dogs, and no I'm not talking hot dogs. I'm talking about your cute little furry friends. Please remember to keep all dogs on a SHORT leash at all times. I've had several members talk to me regarding these issues. Please remember that while you know your dog is friendly and cute, others may be terrified. Animals cannot run loose. When outside of their homes, dogs and cats must be on a leash at all times.

Gators have been spotted on a number of ponds on the Golf Course. If the gators are small the county will not come out and take them. The county will remove them if they are at least eight feet in length. November is mating season for gators and they will move from pond to pond.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

Tom

President's Blog

Don't you look forward to coming back to Peridia? I do. But then, "Bam" you experience terrible traffic, continuing construction, power washing projects, untrimmed vegetation, painting projects, insect or rodent infestations, unclaimed pet deposits in your yard, or even a costly need for a new heat pump or unexpected appliance? Stuff happens whether we like it or not. Let Peridia positives make you happy once again. Get involved in the good stuff!

Start at your Clubhouse. If you haven't seen it, go take a look. It feels bigger, cleaner, more modern, and ready to enjoy. Member events are filling up quickly once they are advertised in the "Scorecard." Don't hesitate to make reservations early. Please remember to honor your reservation as there will often be waiting lists created for members who signed up too late. Canceling your reservation as early as possible allows the front office to fill the table and avoid lost revenue. More importantly, it makes your fellow members happy when they find out there is room for them at the event.

The Tiki Bar has been a very big hit with members. It's creatively decorated and getting "tikier" everyday. Check it out if you haven't already. It's a great place for new members to meet veteran members. It's sad to see a couple sitting quietly by themselves. Don't be afraid to introduce yourselves to each other. Somebody needs to take that first step. Peridians are some of the friendliest people you will ever meet.

If you'd like to get more involved in other Peridia activities, try joining one of our active committees. The Social Committee does a wonderful job decorating for member events. They put loads of time and effort into making your Club look great. Holiday season is approaching so they are always looking for help. The Golf Advisory Committee meets monthly focusing on a better understanding of what's happening on the Golf Course. Ray Bartels, Course Superintendent, and Tom Donato, General Manager attend the meetings to answer concerns as they arise. That's the best place to get an actual understanding of Golf Course issues.

For me, the golf leagues, PMGA or PLGA, are terrific places to meet your neighbors. There are also golf groups for beginners, Monday Duffers, the Putters, and Utah's Golf group. Every week you can ride around in a cart with a member for 3 hours on your Golf Course. You'll chat your little faces off and laugh a lot. You learn facts about each other. You'll discover if you have a superficial connection or a dynamic relationship. Come join the leagues and find out.

Our tennis and pickle ball players are always looking for new challengers on the courts. If your legs can still handle all the running, tennis is for you. If you no longer want to run so fast after the fuzzy yellow ball, try pickle ball. The ball is bigger and the court is smaller. It free to play. Can't beat the price.

Fun Cards, Mah Jong, Co-ed Bridge, Yoga, Sewing, Canasta, Texas Hold'em Poker, and Bowling are some of the best ways to meet other Peridians and get involved. Monday Night Madness at the Club was created to give members additional opportunities to meet with friends and the half price drinks makes it very popular. If you like to dance, Peridia is famous for Friday Night Dancing. There's a different group each week and plenty of room for everyone on the new dance floor.

Each of your neighborhood HOA's has activities from time to time. Find out who your officers are and get the information you need to be a part of your community. That's the first place you'll see your neighbors everyday. Smile, wave, and say, "Hi."

If you want to know what's going on, get involved. Check the "Scorecard" frequently. Make reservations and join some groups. If you have questions, ask for the answers from the front office. They deal in actual facts.

Welcome to Peridia,
Bill Handy

Table Lotteries for Member Events: How They Work and Why

From October thru April we are fortunate to have most of our members residing in Florida, enjoying the beautiful weather and companionship of their neighbors and friends. During this time our member parties fill to capacity, with others on a wait list wishing to attend. Having a lottery allows us to get an immediate count of those planning to attend, and the size of tables needed to make those accommodations. When everyone has signed in, giving the number of guests at their table, we can customize the floor plan to maximize seating to allow as many as possible to get the size table they require.

When you see an event you wish to attend, come into the office and pick up an event sign up sheet. On the top, fill in the name and date of the event. List the names, and member numbers of those who will be at the table you are hosting. Please list only people who have confirmed that they will be attending with you. On the bottom give the name and phone number of the contact person for this table.

We will always have a friendship table, where singles or couples who wish to attend and meet other members are welcome to join. Please fill out an event sheet prior to the lottery and indicate that you wish to be at the friendship table and leave it in the office. You do not need to attend the lottery to join a friendship table.

The day of the lottery, before the designated time, bring in your list, sign your name and the number of guests at your table on the sheet provided. Fold your list and deposit it in the container. All guests will pay for themselves the evening of the event.

All lotteries will be held in the north end of the lounge to allow seating for those attending the lottery. The lottery will start at the designated time. If you or someone at your table cannot attend the lottery, you can leave the slip in the office and we will select your table as a proxy.

The first member events this season, we had members who wished to attend that we could not accommodate, because we were full. Unfortunately, the evening of the event, seats sat empty, because people who were signed up to attend did not call ahead to let us know they would not be coming. This results in lost revenue and is unfair to those who were on a wait list to attend. The Club's policy is to charge those members who signed up for an event but did not attend nor cancel.

Neighbors Helping Neighbors - A Peridia Community Outreach Program

Maybe you don't feel comfortable going to the Clubhouse pool by yourself and would like someone to sit poolside and wait while you do your exercises or just enjoy the water. Or you'd like a neighbor to pick you up and take you to a meal or activity at the Clubhouse and then return to take you home. These are just two examples of how volunteers are willing to donate their time to assist their neighbors in Peridia.

Many folks in our community already have a support system in place...a relative, friend, or neighbor who helps out when you need it. But there are other people you may not know yet who are available and willing to offer assistance. You may be a spousal caretaker who needs a few hours respite to go shopping or just get away for awhile. We are happy to provide someone to come to your home to keep the person you're caring for company.

If you have trouble using up your food minimum, we can help by picking up and delivering meals to your home from the Club restaurant. Or we can provide a ride to the Club so you can enjoy a meal or activity onsite...like cards, lunch and a book, bingo, or whatever is being offered that you would enjoy. We also have been gathering information on various resources that may be of interest to you such as Meals on Wheels and other services.

If you'd like to request assistance, please contact Pat Smith at 941-739-7114 or Carol Boles at 941-666-8582. Let either of these ladies know what you need and they'll see if we have someone who can provide that particular service. **Don't be shy about calling us!**

EVERYONE IS INVITED

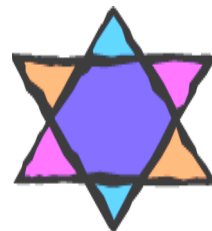

Please join us on Sunday, December 9, from 11:00AM to 3:00PM for our annual Chanukah Brunch and candle lighting.

We will have the Palm Room for our gathering.

We hope many of you will join us.

Please contact: Billie Dimmer at 756-7588 or

Staying Safe and Healthy, Tricks to Stop Spam Calls and “Unwanted” Visitors

By: Pam Wallace, Chairman, Crimewatch Committee

By now most of our snowbirds have returned and it is wonderful to see you all again. You will find many new neighbors have joined our community since you left so make sure you get to know your new neighbors when you have time!

Staying healthy also means staying safer so I want to remind everyone to get their flu shot. The CDC reports that last year over 12,000 people over the age of 65 died from the flu. The flu virus is constantly changing so they update the vaccines accordingly. While it's not 100% effective, it does decrease our chances of getting the flu. Also, make sure you are up to date on your pneumonia vaccine.

Spam calls/robo calls and other unwanted phone calls continue to surge. Even with efforts to curb them in the first four months of this year over 12 billion robocalls were made to American homes!! That's because they work for the crooks and people continue to send them money. You can try not picking up but when the calls reach your voicemail greeting, it flags that yours is a working number. A few things that have been proven effective in reducing them on your cell phone is using the app that your phone company provides. AT&T can use Call Protect, Verizon provides Caller Name ID and T-Mobile has Scam ID and Scam Block. Another 'freebie' for landline users is *77 which blocks anonymous and private numbers. You can deactivate that anytime with *87.

The entrances off 45th Street remain congested due to the widening project which will be on-going into 2019, so use extra care when utilizing that entrance/exit. Some people have reported tire damage due to construction debris in the road. The apartment construction continues but is currently not impeding traffic at our main entrance. There is a dental office being built at the office park, but excavation and exterior work appears to be mostly complete. I do not have a completion date for the apartments but suspect it will be the first half of 2019.

Recently, one of our residents was surprised to find a stranger in her garage. The police responded quickly, but the culprit had already left. Please do not leave your garage door open for an extended period unless you are in it or can see it from where you are working. Now that more people have returned, it gets very busy within our community with workers performing maintenance and general tasks for homeowners. It is very easy for someone to simply walk into your garage and steal from you without being noticed! If your vehicle remains parked outside at night, don't forget to remove all valuables and lock it!! Since Daylight Savings Time ends November 4 the darkness will come earlier. If you are out with your pets or walking/biking in the evenings, please wear reflective clothing so others can see you.

Have a Wonderful Thanksgiving! We have so much to be thankful for, including living in such a beautiful, loving community. STAY SAFE.

HEARTSAVER CPR/AED TRAINING

Heartsaver CPR/AED training is being offered at the clubhouse in the Palm room. The class is taught by Manatee Fire and Rescue. The cost is \$30.00 per person. The class will run four hours. You will receive a card indicating that you have completed the CPR/AED class. If you are interested in taking the class, please contact Stephanie Frohne at steph53158@att.net or Mary Ellen Heer at hphmoo4711@yahoo.com.

There is a 6 person minimum and 12 person maximum. One class will be taught in November and is already filled. Anyone interested in taking the class starting in January 2019, let Steph or Mary Ellen know. Dates and times will be determined once we know how many are interested and what time of day works best for most.

ARE YOU PAYING MORE THAN YOU NEED TO FOR YOUR MEDICARE PART D, PRESCRIPTION DRUG POLICY?

Does your current plan still make the most sense for 2019? SHINE CAN HELP! SHINE (Serving Health Insurance Needs of Elders) is a program funded by grants from the Centers for Medicare and Medicaid Services and the State of Florida legislature and offered through the State of Florida Department of Elder Affairs. Specially-trained volunteers assist with Medicare, Medicaid, prescription drug and health insurance questions by providing information and comparing policies. On **Tuesday, November 6** and **Thursday, November 8**, SHINE volunteer Gordon Baum will be here in Peridia, at the Clubhouse, to meet with you or you and your spouse to research the best plan for you, given your specific medications and providers.

Call and make an appointment, available every hour starting at 9 AM. Bring with you the names and doses of your medications, your doctor's names and locations and the name of your hospital(s) of choice.

Can you believe Christmas is just around the corner?

The annual decorating event is scheduled for November 19 and November 20.
We will have an organizational meeting on November 6 at 2:00PM.

If you are interested in helping, please contact
